Secondary chaps on a reading picnic

Tyron Kameri Year 1

Message from the Heads of School.

Mr. Moses M. Kawuma (Primary) & Mrs. Sophie N. Bamwoyeraki (Secondary)

What a great way to end an action-packed week! The costume parade was such a colourful exciting moment; a showcase of creativity and an embodiment of uniqueness at its best. The children exhibited their costumes, some of them read their stories while others sang their own composed songs. We also had Writing workshops ran by Mrs Nyana Kakoma a prolific Ugandan children's writer. Book Week is an event celebrated all over the world and this is the time when people of all ages and walks of life come together in schools, libraries and community places to celebrate books, authors and illustrators. This is the time to enjoy sharing, reading and getting to know more about books of all genres.

We would like thank all the parents, pupils and teachers for the effort, time and resources you put in to make this week memorable and successful. The following are some of the comments about the experiences encountered. The Book Week was very interesting. It was the best! The activities were a lot of fun. I felt happy and good. I felt that I read a lot of interesting stories. **Micah Amanya Itungo Year 4.** I enjoyed listening to stories and getting gifts. **Kyle Muyanga Jensen, Year 1**

Book Week is the best time I have had. Reading is a lot of fun. Reading has made me learn better. Book Week is the best time I have ever had at school. Reading is fun! Reading has made me work better. **Kourtney Kanzaire, Year 2**

During Book Week, I had a great experience, especially when our class made book collage. I got a chance to do art which is normally rare in other schools. I also managed to meet a Ugandan author who works at this school and listen to her read poetry from her books. I enjoyed Book Week. **Angel Ashley, Year 8**

The Book Week ending with the Costume parade was pretty amazing. The parents showed a lot of interest and helped the children with their costumes. I really have to say that this has been a very creative event that was well-organised. As a parent, I found it fun being involved in the preparation of the costume with my Year 2 son. I congratulate the parents and appreciate the effort of the teachers and the administration team. I am pleased I chose this school. **Annet Arinaitwe, Year 2**

Parent

Book Week! Book Week enabled me to work hard. I developed confidence after writing a very good story. I enjoyed the reading picnic, book hunt, and celebrating authors. **Malcolm Kameri, Year 5**

I enjoyed taking part in this Book Week activities. They were all fun to do. I really liked the story writing competition and the reading picnic. I wish we could do this much more often. **Kyla Kawungu, Year 7**

Book Week was so much fun. Everyone enjoyed a lot. We made comic strips and we also watched BFG by Roald Dahl. Then on Friday we had a Costume parade to see the different costumes that people had. I enjoyed it all. **Ethan Joel Kawuma, Year 3** The thing I liked most about Book Week was costume parade and I learnt that books teach you better grammar. Books take you on adventures not by plane, train or road but through imagination. I know some people do not like books but I do. **William Makanga Year 6**

The Costume parade was heartwarming. Since I have not been able to make a book journey, I took many book journeys this morning. I am pleased to have shared the spirit of reading books. I am grateful that Uganda Community Libraries Association is connected to this school and was invited to be part of the week celebrations. I am pleased to note that creativity, diligence, excellence and potential are recognized, groomed and awarded. Long live The North Green School. **Ms Brenda Musoke Musasizi, Uganda Community Libraries Association**

Poetry Week
Just like we have had great fun during the Book Week, let's look forward to enjoying another week of a literary activities: Poetry Week beginning 5th to 9th March 2018.

The highlight of this week will be a poetry evening to which you are invited to listen to poems written by your children. More details on this will follow soon. Again, we are looking forward to your dependable participation. Please parents do not worry, there are no costumes required.

COMING real SOON

CODE CLUB JUNIOR

Last week on Thursday, the Junior Code Club (KS1) was honoured to host a team from WITU (Women In Technology Uganda) who taught the children how to assemble a Kano Computer. The children were excited as they gained hands on experience and are now preparing for robotics too. **Ms. Charity Delmus**

Kimberly Kamikazi Year 4

Guiding Scripture for next Week

DISCIPLINE
If any of you lacks wisdom, he should ask God who gives generously to all without finding fault, and it will be given to him.
James 1:5

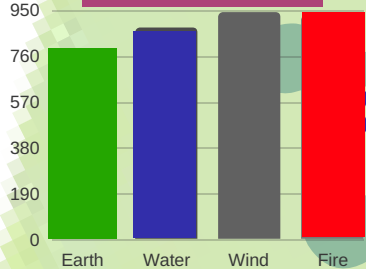

HOUSE POINTS
