

# CHESS WEEK CROWNED

**Winner 2018 WATER HOUSE**

The first North Green Chess Tournament Trophy lifted

### Message from Chess teacher

Our chess week has been very exciting and fun for the students. We started off with house competitions on Monday to Thursday. We were able to get the best players to represent their respective houses in the final Inter-house Chess tournament on Friday. Twenty eight participants have been selected to take part in the tournament. It has been a competitive week for the chess players as they have all worked hard towards the winning of the trophy. At The North Green School, chess classes are embraced as one of the daily activities. Chess has so many benefits including;

- ◆ Enhancing critical thinking before they move to avoid mistakes
- ◆ Planning ahead to control the game
- ◆ Patience to follow through a plan
- ◆ Constant practice to improve one's game
- ◆ Fair play
- ◆ Winning with style, losing with grace
- ◆ Sharpens the brains so it helps improve subjects like Maths and Science

Chess also challenges the minds of both girls and boys; gifted and average, and it's a fun game that all children can play.

Mrs. Charity Musenze

### Chess Tournament Points

<b>WATER</b>	<b>27</b>
<b>FIRE</b>	<b>23</b>
<b>WIND</b>	<b>15</b>
<b>EARTH</b>	<b>08</b>

Year 1 LN show off their poem recitation

Secondary students

**DON'T MISS OUT ON MORE OF THIS ACTION IN THE NEXT POETRY WEEK**

## Message from the Heads of School.

Mr. Moses M. Kawuma (Primary) & Mrs. Sophie N. Bamwoyeraki (Secondary)

### Parent Teacher Consultations (PTCs)

Thank you for making it to the PTCs. We value every moment and effort you put in towards supporting your children and helping them to make progress in their learning. We believe that you found these consultative meetings informative and beneficial to you just like we do. We, therefore, encourage you always to keep the communication channel open. Read the child's diary on a daily basis and respond where appropriate. You can also make an appointment with the class teacher should there be any concerns or worries or compliments that cannot wait for PTCs.

### Third term for Year 6.

We would like to inform all Year 6 parents that their children in Year 6 will have a normal third term even after sitting for their Cambridge Checkpoint Examinations. They have units of the curriculum including transitional units to Year 7 that they need to cover. During third term, they will also be prepared for secondary school through different activities. They also have to cover 'The Living and Growing unit' as they are approaching teenager hood.

I, therefore, request parents not to organise any holidays during this time since it is important as the previous terms.

YEAR 6 PUPILS SHOW CASE THERE D&T HOUSE PROJECT

### Music Teacher

We sadly have to say goodbye to our music teacher **Mr John Eyotre** who will be leaving at the end of this term due to personal demands. We are now in the process of recruiting a new teacher who will be starting next term. If you know anyone suitable for this position please ask them to send in their application to [info@northgreen.ac.ug](mailto:info@northgreen.ac.ug)

### Guiding Scripture for next Week

#### DEATH AND RESURRECTION OF JESUS CHRIST

He said to them, "This is what is written: The Christ will suffer and rise from the dead on the third day, and repentance and forgiveness of sin will be preached in his name to all nations, beginning at Jerusalem."

Luke 24:46-47

### HOUSE POINTS

1. Wind 2092
2. Fire 2080
3. Water 1209
4. Earth 1083

### Star of the Week

- Year 1 LN **Kelai Ayume**
- Year 1 ZA **Dara Tendereza**
- Year 2 **Jeremiah Mwesigwa**
- Year 3 **Whole Class**
- Year 4 **Chantal Teta Karungi**
- Year 5 **None**
- Year 6 **Elizabeth Kintu**

### Dental and Eye check-ups.

We have realised that some children are having both dental and eye related problems within school and especially during lessons. Some of the challenges or difficulty may go unnoticed until they worsen. As a result of this observation, we will have an annual mandatory dental and eye checks for every child. The eye checks are aimed at identifying and managing those at the risk of visual impairment; promotion of eye health and prevention of eye diseases; treatment and rehabilitation of the affected children. While the aim for regular dental checks will not only stop mouth/teeth diseases before they worsen, but they will also maintain and improve the state of your child's teeth.

### Clubs.

We appeal to all parents that have not paid for clubs to do so before we end the term. It will also be great for those who still have not cleared Term 1 club money to pay up before end of Term 2.

### Open door policy

We wish to remind you that we have an open door policy. Should you have any concerns, suggestions, or if you need clarification on anything, do not hesitate to approach us- the head of primary or secondary, as the case may be or better still send an e-mail to [info@northgreen.ac.ug](mailto:info@northgreen.ac.ug)

### School Poetry Anthology: Happy Harmonious Lines

Thank you for working with your children to produce beautiful poems. Your attendance of the Poetry Evening was such a great honour to the school community. Some parents purchased the School anthology but some did not. If you missed the opportunity to buy one please come to the school reception. You may want to keep this as one of the mementos of your child's life. Remember that a copy costs UGX 10,000/= . First come first served.

Nyana Kakoma launches Happy Harmonious lines

### NEXT WEEK'S MEMORY VERSE

Do you not know? Have you heard? The Lord is the everlasting God, the creator of the ends of the earth. He will not grow tired or weary, and his understanding no one can fathom. He gives strength to the weary and increases the power of the weak.

Isaiah 40: 28-29
